

West Virginia Association of Rehabilitation Facilities, Inc.

MINUTES
OF
STATE USE ADVISORY COMMITTEE MEETING
March 30, 1989

MAY 17 1989

The State Use Advisory Committee met on March 30, 1989, with the following members in attendance: David Tinchen, Assistant Director, WV Department of Finance and Administration; Danny Myers, Executive Director, WV Association of Rehabilitation Facilities; Mantha M. Newman, Administrative Assistant, WVARF; Craig Greening, WVARF; and John L. Parker, Rehabilitation Facilities Specialist, WV Division of Rehabilitation Services.

The meeting was called to order by Chairperson Parker. Minutes of the November 15, 1989, meeting were approved as recorded.

Mr. Tinchen provided the committee with a report compiled by Joe Poniatowski. The total State business done by workshops (as reported) from July 1988-February 1989 was \$548,562.

Chairperson Parker informed the committee of the upcoming Symposium/Trade Exhibition at Morgantown. It will be a combined effort by West Virginia University, Division of Rehabilitation Services and WVARF.

Members expressed concern about provisions for Mr. Poniatowski's work while he is out on sick leave.

The DRS Improvement Package and the State Use Law were discussed. Mr. Tinchen stated that F & A will support the law passed and continue to work with us.

It was decided that the Committee's Annual Report will cover the entire fiscal year.

Discussion of a new chairperson appointment was again tabled.

There being no further business, meeting adjourned.

Respectfully submitted,

Mantha M. Newman
